PET OF THE WEEK
BUDDY

This handsome English coonhound is indeed pure hound! With his nose to the ground Buddy finds is difficult to focus on anything else. But, ok, everything is new including this walking on a leash routine since he and his sister Sadie Mae spent a good deal of their time in an outdoor kennel before they came to us. At four years old Buddy acts like a teenage boy. He's all rough and tumble, but full of love and desire to please. He even has a heart on his hip to prove it! If you are looking for an active outdoor companion you'll want to meet this incredibly handsome hound!

His is neutered, up-to-date on rabies, distemper, parvo, leptospirosis and kennel cough, tested negative for heart worm and its on heart worm and flea preventatives, and is micro chipped. The $150 adoption fee includes the microchip registration. Please contact us if you'd like to meet him. You can visit dogs (and cats) at the Animal Shelter at 124 Marina Drive in Montour Falls on Mon., Wed., and Fri. from 9-noon, Sat. from 10-1pm and Sundays from 3-5pm, or call us to set up an appointment.

We are always in need of volunteers and foster homes.
