A devoted wife, loving mother, and cherished grandmother, she is survived by her husband of 66 years, James; children, Michael (Diane) Scaptura of Rensselaer, NY, Christopher (Troy) Scaptura of Springfield, VA, Sharron Holland of Watkins Glen, and Joseph (Elizabeth) Scaptura of Horseheads; brother, Jerome (Frances) Smyder of Burdett; sister, Jerry Ann (Brian) O'Donnell of Horseheads, sister-in-law Joan Ann (Richard) DiSanto of North Port, FL; 11 grandchildren, Nicholas (Meghan), Sarah (Daniel), Matteo, Casey (Meghan), Matthew, Arianna (Charles), Maria, Andrew, Alexander, Aran, and Sean; and many nieces and nephews.

She was predeceased by her parents, William and Leona (Butler) Smyder; brothers and sisters-in-law, John "Bub" and Beatrice Smyder, and Joseph and Janet Smyder.

Jean was a Registered Nurse, working for BC Cate Elementary School in Montour Falls, and previously at St. Joseph's Hospital in Elmira. Jean was a faithful communicant of St. Mary's of the Lake Church, and member of the Rosary and Altar Society, Parish Council, and Art and Environment Committee. She was active in the community for many years. Many children in Schuyler County received a Christmas present through her work with Seneca Santa, and she was (reluctantly) active for many years in staging the races at the Grand Prix course.

Memorial donations in her memory may be made to St. Mary's of the Lake Church or Seneca View SNF.

**James Barrett**  
49 years of dedication and service to Schuyler County Residents

James Barrett, a lifelong equipment operator, worked his final day today in Schuyler County. Jim dedicated his life to making Schuyler County a better place to live. Over 49 years of service in our community. Jim has worked with the Schuyler County Soil and Water Conservation District for the last 14 years. During that time Jim implemented over \$86 million dollars in conservation projects to protect and improve our areas pristine water quality, and to replace and protect our areas infrastructure needs.

Jim helped out with many projects that Soil and Water completed from 2006 through 2010. He was such an asset allowing the Soil and Water Conservation District to utilize its highly competitive grant funds on materials only, allowing many more projects to be completed for the same amount of grant funding. During this time Jim was working full time for the Schuyler County Highway Department. Jim then announced his retirement from the highway department with well over 35 years of dedicated service. Jim was willing however to continue summers with the Soil and Water Conservation District. That willingness was the foundation of Schuyler County Soil and Water Conservation District as we know it today.

When Jim began with the Soil and Water Conservation District, there was no equipment to be found. Jims reputation as one of the areas most skilled equipment operators, allowed the district to borrow equipment from many different municipalities. Jim was a one-man crew. He hauled his own equipment to the job site. He moved the material he needed to where it was needed. Then he placed that material. All jumping in and out of many pieces of equipment to accomplish the task at hand. Jim would do this for over 50 projects in 6 short months every year. This led to the Schuyler County Soil and Water Conservation District now having over \$2 million in equipment utilized region wide. That could have never happened without Jims's expertise, and hard work.

Jim did all of this with the most infectious smile, sense of humor, grace, and diligence. Jim worked with hundreds of people over his career and every one of them admired his skill and dedication as an equipment operator. Yet they admired him as a person even more. No matter the situation Jim was always positive and kind to all that were around him.

We all know the importance of protecting our precious natural resources. Jim has single handedly prevented hundreds of thousands of tons of sediment, and hundreds of thousands of pounds of nutrients from reaching our surface water bodies. He has also protected and replaced hundreds of millions of dollars of public and private infrastructure. You can't drive a mile in any direction without seeing an area Jim has worked on, improved, or aided in his career. I cannot think of anyone region wide that has done more in this area then James Barrett.

Schuyler County Soil and Water Conservation District will never be the same without Jim. Thousands in the area know and respect Jim. Please reach out to him and thank him. He deserves so much. We at Schuyler County Soil and Water will always know what he has meant to us, our Conservation District, and our community.
