MEET LUPIN

Age: 10 Months
Sex: Neutered Male
Breed: Shepherd/Boxer Mix (believe it or not)
Size: Medium/Tall
Lupin - from the Potter Pups! The most outgoing of all! The Potter pups were found abandoned in a wooded area running at large for a couple of days until they were scooped up by some good Samaritans who brought them to safety.

We're thrilled to say that they have responded quickly to care and kindness and are ready for their new homes! Lupin is one of the larger pups and from the get go was the most outgoing and trusting. He's loving life! Loves to play! Loves his walks! Loves the company of other dogs! He enjoys his car rides and outings and has a great sense of adventure! And, he is a champion fetch player at only 10 months old! Lupin is up for just about anything! And, he's fine with the feline set! If you're looking for a loving, fun loving companion to join your family, Lupin may just be your guy! Lupin is now about 10 months old. Update: Just received the DNA results from one of his siblings! Ready? Primary breeds are boxer and German Shepherd. Then of course, there's the mix and supermutt, but what a surprise!

The adoption fee for puppies is \$275. All have been spayed or neutered, will be vaccinated for rabies, kennel cough, DHPP, have had a complete fecal analysis, treated for internal and external parasites, are heartworm tested and on heartworm preventative and flea and tick preventative and are microchipped. ALZHEIMER'S ASSOCIATION TO HOLD COMMUNITY FORUM ON DEMENTIA for Schuyler County residents. The Rochester & Finger Lakes Region Chapter of the Alzheimer's Association will hold a community forum for Schuyler County residents living with or caring for someone with Alzheimer's disease or another form of dementia. This free event will take place from 11 a.m. to 12:30 p.m. on Thursday, April 10, at the Silver Spoon Café, located at the Schuyler County Office on Aging, 323 Owego St., Montour Falls. Lunch will be provided for those who register to attend. "No individual or family should navigate the challenges of Alzheimer's disease alone," says Arlene Wilson, senior director of programs for the Rochester & Finger Lakes Chapter. "This forum is an opportunity to bring together community members affected by the disease and dedicated staff and volunteers to talk about the services available to them. "We'll review the basics of Alzheimer's, dementia and memory loss, the services offered by the Alzheimer's Association, and how we can expand the reach of local programs and services," Wilson says. "Bring a friend and share your thoughts on how the Alzheimer's Association can help more people in Schuyler County." Interested individuals are encouraged to register as soon as possible by calling 800.272.3900. This program is made possible, in part, through a grant from the New York State Department of Health.

Our goals are simple: To include everyone. To give everyone a chance. To show everyone that there is compassion. To show everyone that they can last another day. To show everyone that they are important. To strengthen relationships, to make the individual stronger and foster community. This group meets each Monday evening via zoom, aiming to create connections for those that struggle with their mental health, either currently or in the past. Some participants come for one visit while others stay for weeks and build relationships. Some come just to get questions answered. Whatever your need, it's a safe, judgement free space to share, chat and feel connected. Please be sure to follow our Facebook page and visit www.MRHessHomeWorks.com for more information. Please note that if you are in crisis, calling the emergency numbers of 988 and 911 is the general recommendation. Finding someone to sit with, someone with whom you feel safe, is important.
