Obituary

THOMAS OWEN MEEHAN, born on November 14, 1960, in Montour Falls, NY was sent to his eternal home on May 16, 2025, due to a brief and sudden illness. He was the proud father of two boys, Cory Thomas and Jesse Daniel and the beloved son of Thomas Meehan and the late Mary Lurcock Meehan.

He is survived by his loving brothers Jeffrey (Patti J), Robert (Patti R), and sister Jacqueline, and the mother of his children, Wendy Arner Meehan. He also leaves behind nieces and nephews who adored him dearly, aunts, uncles, cousins and many friends near and far who will continue to cherish the memories they had with him. Tom was a 1979 Honeoye Falls-Lima graduate and received his bachelors degree from Rochester Institute of Technology as a Mechanical Engineer. He retired after a long career as an engineer.

TO/Tom, as he was affectionately known, was a shining light in the lives of all who had the privilege of knowing him. His journey on this earth was one marked by love, compassion, humor and his love for his family. His passing has left a void in the hearts of his family, friends, and many more whose lives were touched by him. We ask that you remember him for the way he lived his life, and for the profound impact it had on the lives of those who had the pleasure of knowing him.

Plans for a burial service in Watkins Glen and a Celebration of Life will be held at a later date.

MEET APOLLO

Breed: Hound Mix Age: 7 years
Sex: Neutered Male Medium-Large

Such a handsome hound! And, what a love! Apollo is sure to win your heart! He's a gentle, loving, mellow guy who is always up for a good long walk where there is plenty to explore. Being the hound that he, is the more to sniff the better! He would love a big fenced yard to roam but at the end of the day, he'll be more than happy to snuggle up on the couch or in front of the woodstove. Apollo is deaf so, no off leash exploration for this guy.

Apollo came to us from a shelter in northern Kentucky where he had arrived as a stray. The only housing was in outdoor kennels, so for a guy who can be a couch potato it was kind of like camping 24x7. Apollo was transferred to a shelter in North Carolina where he, unfortunately, tested positive for heartworm. He's been through the full course of treatment, has tested negative and is on heartworm preventative. If a middle aged, laid back guy is your style, Apollo is your guy!

The adoption fee for adult dogs is \$225. All have been spayed or neutered, vaccinated for rabies, kennel cough, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, are heartworm tested and on heartworm preventative and flea and tick preventative and are microchipped. Stop in on Monday, Thursday and Friday from 10- 1, Saturdays from 10 - 4, Sundays from 2-5 without an appointment or call us at 607-594-2255 to schedule an appointment. Or, visit our website www.schuylerhumane.org to fill out an adoption application to get the process started.

NATIONAL SAFE BOATING WEEK MAY 17-23; ABC-FLX SAFETY MESSAGE IS YEAR-ROUND. Life jackets, classes and educational events drive the message of the Finger Lakes Chapter of America's Boating Club (ABC-FLX) focusing on safe experiences on Seneca Lake and other regional waterways. Just in time for National Safe Boating Week, May 17-23, the club's loaner life jacket trees in Watkins Glen are ready for folks who need one or more as they kayak, canoe or cruise Seneca. The life jacket trees are located at the Clute Park kayak and canoe launch at the southeast end of the lake and at the Clute Park boat launch on the canal. Life jackets of all sizes may be borrowed and returned at no cost. The club started the project in 2019. Boating safety, supported and enhanced with classes and services such as loaning life jackets, is the core of the organization's mission, Kris West, ABC-FLX commander, said. "Whether you're casting a line or cruising the beautiful waters of the Finger Lakes, a life jacket is your best catch of the day. Wear it, make fun memories and live to tell the tale," said West, who lives in Painted Post and sails a 29-foot Hunter sloop. The boating club, based in Watkins Glen, welcomes sailors, power boaters, kayakers and anyone simply interested in experiences on the water. Education on how to have fun and be safe is important, West said. A wide variety of classes is offered in person, on the water and online. Among the club's most popular classes is America's

Boating Course, which, with successful completion, provides a safe boating certificate that meets New York State requirements. This eight-hour course is regularly offered in person at locations around Seneca Lake. For more information about America's Boating Club-Finger Lakes Chapter, formerly known as the Seneca Sail and Power Squadron, go to www.abc-flx.org or on Facebook at "America's Boating Club-Finger Lakes Chapter." America's Boating Club is the nation's largest non-profit boating organization, with nearly 30,000 members in more than 350 clubs, including ABC-FLX with members from across the Finger Lakes Region. Boat ownership is not a membership requirement.
