WATKINS GLEN AREA CHAMBER ACHIEVES NATIONAL RECOGNITION WITH PRESTIGIOUS U.S. ACCREDITATION Accreditation places Watkins Glen among the top Chambers in the nation for strong leadership, sound governance, and member-focused service. The Watkins Glen Area Chamber of Commerce is proud to announce it has earned official accreditation from the U.S. Chamber of Commerce, placing it among an elite group of chambers nationwide recognized for excellence in leadership, governance, and member service. This distinguished honor affirms the Chamber's commitment to driving economic vitality, supporting local businesses, and elevating the Finger Lakes region as a premier destination to live, work, and visit. "Chambers of commerce that achieve an Accreditation designation are leaders in the industry," said Raymond P. Towle, U.S. Chamber Vice President, Federation Relations and IOM. "This rigorous review includes all aspects of a chamber's policies, operations, and programming. When chambers earn the distinction of becoming Accredited, it is a mark of excellence for the organization, its staff, and its leadership. They are commended for their continued advocacy of free enterprise, and for their commitment to serving members and their local businesses." The U.S. Chamber's Accreditation Program promotes excellence in the chamber industry and fosters a pro-business

environment across America. To receive Accreditation, a chamber must meet standards in human resources, program development, membership, governance, facilities, government affairs, communications, benchmarking, and technology. This extensive self-review was an endeavor over 2 ½ years in the making. "This recognition is a testament to the hard work, commitment, and strategic vision of our team and board of directors," said Nigar Hale, Executive Director of the Watkins Glen Area Chamber of Commerce. "We are proud to serve the Schuyler County business community and are honored to be recognized on a national level for the high standards we uphold. We will continue to strive for excellence in order to serve our community, our stakeholders, and membership and to fulfill our mission." Out of more than 7,000 chambers nationwide, only 190 currently hold Accredited status. The Watkins Glen Area Chamber is now one of just six Accredited chambers in New York State and part of an elite category of Chambers representing less than 3% of all Chambers of Commerce nationwide. About the Watkins Glen Chamber of Commerce: The Watkins Glen Area Chamber of Commerce is the leading voice for business and tourism in Schuyler County. Representing over 450 members, the Chamber drives economic growth, promotes the region as a premier destination, and strengthens the community through leadership, advocacy, and strategic partnerships.

Bowser and his "brother" Snoopy came to us when their owner became ill and was unable to care for them. From what we're told Bowser may be 11 - 12 years old, but you'd never know it meeting him! He's all in for just about everything. If you're looking for a great little companion to keep you fit and constantly entertained please come meet Bowser! Bowser is ready for adoption, but will benefit from a dental cleaning and maybe a few extractions, which we will provide at no charge to the adopter post adoption.

The adoption fee for adult dogs is \$225. All have been spayed or neutered, vaccinated for rabies, kennel cough, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, are heartworm tested and on heartworm preventative and flea and tick preventative and are microchipped.
