Obituary

SHEILA J. TUTTLE of Burdett, NY passed away Friday, August 8, 2025 at home, with her lifelong friend, Cindy, at her side to wish her god speed.

She was predeceased by her father, Charles Tuttle, mother Manona and her brother Charlie. She is survived by distant Aunts, Uncles and Cousins; Cindy and William Rich along with their ("her") children, Rocco (Kate, Leah), Celina (Jack) and Tesla (Jethro) Rich of Dryden.

Sheila was officially registered with Tribal rolls in the Tonawanda Band of Seneca Nation, and a member of the Oneida Indian Nation. She held pride in her heritage and loved painting, knitting and making jewelry. She especially loved collecting feathers of any kind to make dream catchers. She loved to "Party" or to give "readings" and "heatings" to anyone that needed her insights. But, her biggest love was of her Mother, Father and Brother. She attended Odessa-Montour Falls Central School and TC3 in Dryden. Sheila was employed a short time for TC3, then went on to house cleaning with her mother from then on. They were an inseparable team. She had a great sense of humor, contagious laughter and stories to turn anyone red! So proud, she was, of her adventures in life and defiance to structure.

Sheila wished to be cremated with no formal services, and would have loved prayers to be sent to anyone in need of healing and/or battling addiction. Funeral arrangements are under the direction of Vedder-Scott & Zinger Funeral Home, Montour Falls, NY. To leave the family a message of condolence, please visit www.vedderscottzinger.com

KAREN MARIE (DOOLITTLE) BARTONE, 78, of Watkins Glen, NY, passed away on Thursday, August 21, 2025. She was born in Montour Falls, NY on November 27, 1946.

Karen, KB, was a devoted Mother, Grandmother, Sister and Friend to all who knew her. KB loved and laughed a lot. She gave freely of herself, offering care, compassion and a warm smile to the young, the elderly and everyone in between. She was generous even to strangers, always willing to help when she saw a need. Her home was open to anyone who came to her door. Karen was a pet lover, and she cherished her animals deeply.

Quite simply, Karen was kind. She learned this from her own Mother which she later instilled in Lisa, Tony and Nick. We will continue the practice of this lesson for the rest of our lives.

Karen was preceded in death by her parents Jack and Kathryn Doolittle. She is survived by her children Lisa (Jason) Confer, Tony (Sue) Bartone and Nick Bartone; her grandchildren, whom she adored, Chad, Tate, Jordan, Nick, Cal and Caleb. She is also survived by her siblings, John Doolittle (Barb Donnell), Peggy (Jim) Scott and Cheri Doolittle; and her former husband, David Bartone.

The family would like to extend their deepest appreciation to KB's special team for their dedication and care in her final months, when she needed it the most.

Relatives and friends are invited to call on Thursday, August 28, 2025 from 10:00 am to 11:30 am in the Link at St. Mary's of the Lake Church, 905 N. Decatur St., Watkins Glen, NY. Obituary

It is with broken hearts that we announce the tragic passing of **BRENDYN CHRISTOPHER HAMMOND**, age 22, of Odessa, NY, on August 21, 2025, alongside his dogs Zofia and Jax.

Born on February 20, 2003, Brendyn was the son of Christopher and Alyssa Hammond and the cherished brother of Ashlyn Hammond and Kaila Hammond (Dontai Hazelett). He is also survived by his grandparents, Sandra Montgomery (Granny Sandy), and Mike & Dianna Overhiser (OI' Man & Mom; Other Grandma). He will be forever missed by the love of his life, Molly Parillo, and shared many years of friendship with his best friend, Ryan "Cupcake" Meier. Brendyn was surrounded with love by tons of aunts, uncles, cousins, other family and countless friends.

He was met in heaven by his beloved grandpa, Paul Montgomery, and his childhood dog, Bentley; along with several other cherished family members.

Brendyn had a gift for bringing joy into the lives of those around him. He loved working alongside his dad, learning how to build and create. As well as playing board games and spending quality time with his family. He found excitement in riding his dirt bike with friends, spending hours playing video games, going hunting with his Grandpa Mike, and laughing with Molly until his belly hurt.

He will always be remembered for his infectious laugh, his radiant smile, his enormous heart, and for giving the best hugs. Brendyn was the life of the party and had a way of lighting up any room he walked into. His willingness to help anyone in need will be his lasting legacy.

Brendyn's time here was far too short, but his impact on those who loved him will last forever.

Relatives and friends are invited to call on Friday, August 29, 2025 from 2-4 pm at Bethel Fellowship Church, 2035 State Route 14, Montour Falls. A memorial service will follow at 4:00 pm.

DRIVERS, SLOW DOWN!

Drivers should slow down as children head back to school. Know that yellow flashing lights indicate the bus is getting ready to stop & motorists should slow down and be prepared to stop. Red flashing lights and an extended stop sign indicate the bus is stopped and children are getting on or off.

Motorists must stop when they are behind a bus, meeting the bus or approaching an intersection where a bus is stopped. Motorists following or traveling alongside a school bus must also stop until the red lights have stopped flashing, the stop arm is withdrawn, and all children have reached safety. This includes two and four-lane highways. If physical barriers such as grassy medians, guide rails or concrete median barriers separate oncoming traffic from the bus, motorists in the opposing lanes may proceed without stopping. Do not proceed until all the children have reached a place of safety.

Protect yourself from tick-borne illnesses

By ELI FINKELSZTEIN, MD

With warmer weather comes more time outdoors—and a greater risk of tick-borne illnesses, especially Lyme disease and anaplasmosis, both spread by black-legged deer ticks. The prevalence of these ticks has increased throughout upstate New York. About half of adult ticks in the Finger Lakes carry Lyme, and a growing number carry anaplasmosis.

Deer ticks live in shady, moist environments and are found across New York State. Adult ticks (sesame seed-sized) are most active from March to mid-May and mid-August to November. Nymphs (poppy seed-sized) are active from mid-May to mid-August and are especially hard to see. Ticks are active above 30°F without snow cover. Both can transmit diseases, usually after being attached for more than 36 hours.

Most tick bites do not cause illness. If you find a tick, remove it with tweezers by grasping near the head and pulling steadily. Clean the area with soap and water. If the tick is engorged, you may choose to monitor the bite site or take a single dose of antibiotics to reduce Lyme risk.

Lyme disease symptoms:

- Fever, fatigue, aches, and sweats
- A red, round rash (often but not always a bullseye)
- If untreated, it may lead to more rashes, fever, or in rare cases, affect the heart,

joints, or nervous system

- Treatable at any stage with antibiotics like doxycycline or amoxicillin

Anaplasmosis symptoms:

- Fever, severe headache, chills, fatigue, muscle aches, nausea, cough, and sometimes confusion
- Rarely causes a rash

Prevention Tips:

- Wear long sleeves and pants outdoors
- Keep grass and brush trimmed in your yard
- Use tick repellents recommended by the NYS Health Department
- Check yourself and others thoroughly after time in wooded or grassy areas—especially armpits, scalp, and behind knees

If you experience symptoms, testing right after a bite isn't helpful—it takes 4–6 weeks to show infection. Early detection and treatment are key to preventing illness.

Eli Finkelsztein, MD, completed his medical education at the Universidad de los Andes in Colombia, his residency at New York-Presbyterian Brooklyn Methodist Hospital, and his fellowship training at New York-Presbyterian Hospital, Weill Cornell Medicine. He is an infectious diseases doctor with Cayuga Health and is a preceptor for the Cayuga Medical Center Internal Medicine Residency Program. He sees patients at the Cayuga Center for Infectious Diseases in Ithaca, 1301 Trumansburg Road, Suite R and 260 Tompkins Street in Cortland, (607) 241-1118.
