Obituary

WILLIAM “BILL” TEX ATWOOD, SR., age 88, of Montour Falls, NY, passed away on Thursday, October 2, 2025 at Arnot Ogden Medical Center. Bill was born on December 24, 1936 in Lincklaen, NY to the late Robert L. and Myrtle L. (Bliss) Atwood.

Bill is predeceased by his parents, five brothers, a sister, and 2 great-grandchildren. He is survived by his loving wife, Nola; by sons, Michael (Connie) of Montour Falls, NY, and Timothy, William Jr., and Edward (Heather), all of Horseheads, NY; stepson, Trenton (Suzanne) of Granby, MO; daughters, Bonnie (Joe) of Grand Rapids, MI and Debra (Harvey) of Palm Harbor, FL; sisters, Betty Jane (Jim) of Salina, OK and Nada (William) of Prospect, OR; along with 9 grandchildren and 14 great-grandchildren.

Bill and Nola were married nearly 40 years ago, on October 18, 1985 in Joplin, MO. Bill was a maintenance electrician, having been employed locally at the A&P Plant, Facet, and Cardinal Scale. He was a very active member of the Agape Bible Church in Ithaca, NY. Bill also served as a deacon for 20 years, focusing on nursing home ministry. Above all, Bill loved his family, his friends, and his church community.

Bill's family would like to extend their gratitude to the staff of both Robert Packer and Arnot Ogden Hospitals for their kindness.

A private burial will take place at Montour Cemetery, Montour Falls, NY. Memorial contributions may be made to Agape Bible Church, 264 Applewood Rd. South, Ithaca, NY 14850. Funeral arrangements are under the direction of Vedder-Scott & Zinger Funeral Home, Montour Falls, NY. To leave the family a message of condolence, please visit www.vedderscottzinger.com

Obituary

SIGNA MAE BAUMAN, age 93, of Watkins Glen, passed away peacefully on October 2 at Athens Health & Rehabilitation Center in Athens, PA. Signa was born in Montour Falls, NY, on June 28, 1932, to Signa Coykendall Eggersdorf and Frank Eggersdorf. She was pre-deceased by her husband of 66 years, Gordon Bauman, and her ten older siblings. She is survived by her three children, Lawrence Bauman, Donna Bauman, and Thomas Bauman (Donna Crippen), and eight grandchildren: Bailey Hughes, Erica Hughes, Kevin Bauman, Colin Bauman, Kyle Bauman, Carrie Bookheimer, Audrey (Bauman) Sessaman, and Charles Bookheimer.

Signa was a graduate of Watkins Glen High School and retired from Chemung Canal Trust Company in 1991 after a long career as a bank courier. Her passions included reading (especially biographies), baking, and animals. Affectionately referred to as a 'pistol' by the nursing home staff, family and friends will remember her feisty, outspoken nature and funny quotable lines.

There will be no visitation; a private burial will take place in Montour Falls Cemetery. In lieu of flowers, donations may be made to the Humane Society of Schuyler County, 124 Marina Dr., Montour Falls, NY 14865.

Funeral arrangements are under the direction of Vedder-Scott & Zinger Funeral Home, Montour Falls, NY. To leave the family a message of condolence, please visit www.vedderscottzinger.com

Centralus Health Offers State of the Art 3D Mammography

October is Breast Cancer Awareness month: a time to show support for breast cancer survivors, remember those lost to the disease, and promote early detection and research.

Early signs of breast cancer can manifest in many ways. Some changes can be seen in the form of a new or thickening lump, changes in size or shape, skin dimpling, redness, swelling, nipple inversion or discharge, and pain in the breast or nipple. Sometimes people don't experience any symptoms.

For certain types of breasts, like denser breasts, mammograms can be difficult to interpret. This may make it more difficult for radiologists to read your images.

"Sometimes, your normal anatomy can make images look a little suspicious. It's not always a terrible thing to have to be called back. We may just want a closer look," says Heather Fay, Computed Tomography (CT) technologist at Arnot Health, a member of Centralus Health.

Newer machines, like Digital Breast Tomosynthesis (3D mammography), give radiologists a clearer, more detailed view of the breast, increasing the detection rate of cancers. The machine uses an X-ray arm to take multiple images of breast tissue in thin slices, allowing for better views of the tissue with less radiation. A traditional 2D mammogram creates a single, flat image, which can make it harder to see through dense tissue and detect abnormalities.

The compression is what most women associate with discomfort, though it is vital in minimizing motion blur, enhancing

clarity, and lowering the amount of radiation needed.

"If the compression starts to feel uncomfortable, we tell patients to let us know and we make it easier," Heather says.

The rounded corners of the image receptor, where patients place the breasts, changes the experience compared to the traditional mammogram. This design forms much better to the patient's body and doesn't jab as much.

Radiologists and technologists understand the anxiety associated with waiting for imaging results. At Centralus Health, mammograms are typically read within a day or two of an appointment.

For most women, routine mammograms should begin around the age of 40. Women with higher-than-average risk for breast cancer, such as those with a family history or genetic mutations, should consult their healthcare provider about starting earlier.

Cayuga Health offers 3D mammography at their main campus location, 101 Dates Drive, Ithaca, (607) 274-4376; East Campus location, 10 Arrowwood Drive, Ithaca, (607) 274-4155; Cayuga Park location, 401 Cayuga Park Lane, 4th Floor, Ithaca; Schuyler Hospital, 220 Steuben Street, Montour Falls, (607) 535-7121; and in Cortland, 1081 Commons Avenue.

Arnot Health offers 3D mammography at the Horseheads Medical Office Building, 100 John Roemmelt Drive, (607) 739-0352; and the Health Center for Women, 600 Fitch Street, Elmira, (607) 795-8080.

MEET GERTIE

Breed: Shepherd Mix
Age: 1 ½ years
Size: Large
Sex: Spayed Female

This lovely lady came to us from another area shelter when they were overwhelmed with an influx of dogs. Gorgeous Gertie is only about a year and a half old but being the shepherd that she is, she's smart, attentive and oh so eager to experience all that life has to offer. We sense that Gertie may not be very worldly, but she is certainly anxious to expand her horizons with an adventurous outdoor companion. Given her intelligence and focus Gertie may well have the potential to find a working job, perhaps as a search and rescue dog or something along those lines. This girl wants a job to do Gertie is a fun-loving party kind of gal, always ready to play and make a game out of just about anything! She is an ace Jolly Ball champion already! Check out videos of her on our Facebook page. Gertie is ready to sign up for doggie obedience classes to reach her full potential. Are you ready to share her journey? Gertie probably wants to be your only canine companion.

The adoption fee for adult dogs is \$225. All have been spayed or neutered, vaccinated for rabies, kennel cough, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, are heartworm tested and on heartworm preventative and flea and tick preventative and are microchipped. Stop in on Monday, Thursday and Friday from 10- 1, Saturdays from 10 - 4, Sundays from 2-5 without an appointment or call us at 607-594-2255 to schedule an appointment. Or, visit our website www.schuylerhumane.org to fill out an adoption application to get the process started.
