To the Residents of the Town of Catharine:

It's almost time for board elections again—with that in mind, we would like you to know that we are backing:

- Glenn Bleiler (for re-election) for Council
- Ron Goossen for Justice
- Brett Reynolds for Council

Glenn has been a VALUABLE member of the board for a number of years—he is the brains behind the budget and helps to keep the board informed about the balances and what to expect in the future.

Ron has been our Justice for a number of years as well and has kept the integrity of the court in the forefront of all his decisions.

Brett is a new comer to politics, and he has made it his responsibility to attend board meetings and workshops to learn the ropes BEFORE being elected.

It is important to have people who are interested in seeing our town keep things moving without overspending and by attending meetings in advance of being on the board helps to see how that can be done. Please consider voting for Brett Reynolds and Glenn Bleiler and Ron Goossen when you go to the polls on November 4th.

MEET CANNON

Sex: Neutered Male Age: ~ 1 year

Breed: Hound/Pit Mix Size: Medium

Cannon came to us by way of another area shelter when they were faced with an influx of dogs. Cannon is looking for an active family who is up for adventure - every day, any day! He's working hard to learn appropriate doggie manners and what is expected of any well behaved pup, but at just a year old it's sometimes really hard to concentrate. Cannon promises to be an apt young student. He's not a real fan of the feline fan set and if you have another dog we'd suggest a meet and greet.

Here's Cannon's report of his day out with a volunteer. There were SO many smells and chipmunks—I was in pup heaven! I popped up like a jack-in-the-box whenever I thought I spotted one and landed like a champ where I thought it went. It was so much fun! I'm proud to say I've nailed my sit and down commands! My walker started teaching me the watch command too—I got a little distracted (can you blame me? Chipmunks!) but I'm super treat motivated, so I'm picking it up fast. I LOVE cuddles. If you're looking for a handsome, athletic, cuddly, and goofy fur baby who's full of life and love—I'm your guy!

I promise to make you smile every single day ? Hope you'll share my story with someone who needs a best friend like me! Can't wait to meet you! Love, Cannon

Joan Hendy-Kline

District 1 (Catharine/Cayuta)

Joan is a lifelong independent. She is recently retired after many years of experience with IBM, Loral, and Lockheed Martin as an Engineer, Program Manager, and Test Director.
Her experience with budgeting, engineering, and delivering complex systems solutions to her former customers will translate to addressing the needs of people of Schuyler County.

Erich Asperschlager

District 2 (South Hector)

Longtime Burdett resident Erich shares his fellow candidates' mission of moving beyond party politics. Local government should not be run along party lines, no matter the party.

Jennifer Mosher

District 4 (Montour/SW Hector)

Jennifer is a Republican who has earned endorsements this year from many community leaders and career public servants. She has proven her commitment to the community over her 12-year tenure on the Odessa-Montour school board, where she currently serves as vice president and chair of the capital committee.
Jennifer is inspiring, resilient, and qualified, with a genuine passion for public service you rarely find in a candidate for local government.

Gail Walker

District 3 (North Hector)

With school back in session, the Watkins Glen Area Chamber of Commerce, in partnership with Watkins Glen International (WGI), has announced the winners of a June coloring contest.

Congratulations go to Eloise Lejedal, Sadie Fraboni and Adelyn Bergen of BC Cate (Odessa-Montour); Abram Basset, Kylie Bulkley and Maggie Hulbert of HA Hanlon (Odessa-Montour); Julian Gardner and Hannah Beckett of Bradford Central School; and Warner Dalecky, John Peters and Madeline Winstead of Watkins Glen Elementary.

Winners were selected from the numerous entrants who colored a designated page from the Thunder in the Glen coloring book distributed by the two organizations in the spring. Each winner was awarded a Watkins Glen International official 2025 diecast car.

With artwork by Robert Gillespie, the coloring books – along with crayons – were delivered to all K–4 students in the Watkins Glen, Odessa-Montour and Bradford School Districts.

Gillespie is a renowned local motorsports artist and educator whose illustrations capture the vibrancy and spirit of racing in the region. His contributions help connect students to the area's storied history through engaging and age-appropriate imagery.

"Seeing the Thunder in the Glen coloring book in the hands of our youth has been a joy," said Nigar Hale, Executive Director of the Watkins Glen Area Chamber. "We continue to give remaining copies to our visitors, and it always brings smiles while the kids learn about our rich racing history."

"We have been so pleased to partner with the Chamber on the coloring book project," added Dawn Burlew, President of Watkins Glen International. "Engaging kids and families is an important aspect of honoring our motorsports history and building the interest of our future employees and fans."

This initiative reflects a shared commitment to arts education, youth engagement, and local heritage, celebrating the power of creativity to inspire pride and connection in the next generation.

UPLIFTING HISTORY! GROUNDBREAKING CEREMONY FOR THE BRICK TAVERN MUSEUM. The Schuyler County Historical Society will hold the groundbreaking ceremony for the Uplifting History! capital project on October 29, 2025, at 3:00 p.m. The ceremony will be held at 108 N. Catharine Street in Montour Falls. Senator Tom O'Mara said, "It's a fantastic milestone for the Schuyler County Historical Society and the village of Montour Falls, and an exciting testament to the success of the 'Uplifting History' campaign! It's one of the latest and best examples of how investment through the NY Forward program can help spark vital community development and local pride, and we're grateful to all of the local leaders and area residents working so tirelessly for the future of Schuyler County and the entire region." In May of 2024, the Schuyler County Historical Society received \$792,000 from the NY Forward Montour Falls development monies. The organization had been preparing for this accessibility renovation for nearly a decade. Assemblyman Phil Palmesano commented, "Congratulations to the Schuyler County Historical Society and the surrounding area on this important grant award. This funding will provide the critically necessary resources to assist with building the new addition to the Brick Tavern Museum. As the oldest brick building in Schuyler County, built in 1828, there is no better foundation to build upon to showcase the rich, deep cultural history in Schuyler County. The Brick Tavern Museum will turn 200 in 2028 and requires preservation and modern updates for accessibility. To that end, the capital campaign Uplifting History! was launched in March of this year. "This is a proud day for Montour Falls," Mayor Ryan said. "The Brick Tavern has stood as a symbol of our rich history for generations, and now, thanks to the investment from NY Forward, it will continue serving our community in a renewed and vibrant way. The Historical Society's leadership and dedication set a high bar for the future projects we'll see in our village. This groundbreaking is more than just the start of construction – it's the beginning of a new chapter in preserving and celebrating our heritage." The capital project will create modern archives, allowing the museum to add to the more than 3,000 family names already in the research library. The ad-

ditional archive space will provide an opportunity to add to the museum's collection of Schuyler County artifacts. "We can't move forward without knowing where we've been," noted FLX Gateway Executive Director Judy McKinney Cherry. "That's what this groundbreaking is all about-taking steps to ensure that future generations of Schuyler County residents and visitors will have access to the history that makes this place so special." Post construction, two new exhibition areas will open up, and many of the spaces will be updated. Most importantly, every visitor will be able to enjoy the same experience as the new elevator assists in getting people to the second floor, where the majority of the exhibition spaces are. Watkins Glen Area Chamber of Commerce Executive Director Nigar Hale said, "We are thrilled to break ground on the only chartered museum in Schuyler County. This project will bring long-overdue upgrades in accessibility, preservation, and visitor experience-transforming what the museum can offer our community." The Brick Tavern

Museum will be open the day of the groundbreaking ceremony and will remain open until at least October 31, 2025. The public is welcome at the groundbreaking ceremony and to visit "200 Years: Seneca Lake & the Erie Canal Waterways." After November 1, the hours of the museum will be updated based on the construction schedule. Finally, "Construction to the Brick Tavern Museum is not just a once-in-100-year chance for museum preservation," said Heather O'Grady-Evans, Executive Director of Museums. "All of this is about opportunities. The op-

portunity to preserve, grow, renew and develop new experiences for everyone." See you at the museum! The Brick Tavern Museum is located at 108 N. Catharine St./Route 14, Montour Falls. Admission is free. Hours are Tuesday, Wednesday and Friday 10 a.m. to 4 p.m. and Thursday 2-8 p.m. Museum exhibits and all operations of the Schuyler County Historical Society are supported by a Tourism Assistance Program grant administered by the Watkins Glen Area Chamber of Commerce. For more information, call the Brick Tavern Museum at (607) 535-9741.
