Obituary

EDWARD LEE AMES SR., age 90, passed from this life on Monday, November 17th, 2025 in Burleson, TX.

Ed was born on April 1st, 1935 in Elmira, NY to the late William and Hazel Ames. Growing up in Bennettsburg and Burdett, NY with 4 siblings, he graduated from Watkins Glen Central High School in 1955. He worked and raised his family in Watkins Glen, where he continued to reside until he moved to Harrisburg, NC and eventually Burleson, TX.

Having been bitten by the auto racing bug at age 13 when the first sports car races came to the streets of Watkins Glen, Ed was a lifelong fan of many forms of motor racing, but NASCAR was his favorite. He raced Go Karts in his early years and worked as a mechanic for Swarthout's Garage and The Ford Garage in Watkins Glen, before joining Central Asphalt. He was proud of his work and loved the camaraderie and brotherhood of the company. Ed retired from Central Asphalt after 38 years of dedicated service.

In retirement, he made every effort to gather his family for holidays, birthdays, picnics, boating, racing and just goofing around. Prior to wife Sandy's passing, NASCAR at the Glen, Vintage Grand Prix weekends and traveling to different tracks in their RV or camping around the Finger Lakes were a shared passion and annual ritual for many years. He enjoyed traveling, but home with family was the best.

He was pre-deceased by wife, Sandra Ames, parents William and Hazel Ames, brothers William, Robert, Richard and Daniel Ames, sister-in-law Marie Ames, brother-in-law, Richard Bradley and step-children Kim Cherkis and Kevin Rudy.

He is survived by his children, Edward Ames (Melissa) of Crowley, TX, Susan Maccou (Alberto) of Myrtle Beach, SC, Pamela Ames (Tony Dempsey) of Rochester, NY, Mark Ames of Hood River, OR and step-daughter Kay Rogers (Ty) of Watkins Glen, NY.

He is also survived by sister Ann Bradley of Florida and sisters-in-law, Connie Palmer of Horseheads, NY and Anna Ames of NC. Surviving grandchildren are Dr. Elana Maccou, Manuel Maccou, Megan Olson (Michael), Shannon Williams (Jake) and Bridger and Lily Ames. Surviving step-grandchildren are Christin Bressett, Christopher Cherkis, Kyle Rogers, Kayla Rudy and Andrew Rudy. Surviving great-grandchildren are Caleb, Felipe, Harrison, and Charlotte. He is also survived by many nieces, nephews, and cousins.

A graveside service will be held on Sunday, April 26, 2026 at 1:00 pm at Montour Cemetery, Mill St, Montour Falls, NY.

Vedder -Scott & Zinger Funeral Home of Montour Falls NY and Lucas Funeral Home of Burleson TX are handling the arrangements. To leave the family a message of condolence, please visit www.vedderscottzinger.com

MEET MR MAGOO

Sex: Neutered Male
Breed: Bully Mix
Age: 2 Years
Size: Medium- Large

What a sweet, sweet soul! And, that face...right???? Those cheeks! Those eyes! Mr. Magoo will melt your heart the moment you meet him. He is every bit as gentle and affectionate as he looks.

Mr. Magoo came to us as a stray and seems to tell us everyday how grateful he is to be safe, warm and loved. He's estimated to be maybe a year and a half but he's one of those old soul kind of guys. Something says that he's wise way beyond his years.

Mr. Magoo is an absolute joy to walk and has quickly become a staff and volunteer favorite. Everyone he meets is instantly his new best friend. He's as gentle as can be with children. However, we think he'd rather be your only four legged friend, but if you do have another canine companion, we'd suggest a meet and greet.

The adoption fee for adult dogs is \$225. All have been spayed or neutered, vaccinated for rabies, kennel cough, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, given flea and tick preventative, heartworm tested, are on heartworm preventative and are microchipped. Stop in on Monday, Thursday and Friday from 10- 1, Saturdays from 10 - 4, Sundays from 2-5 without an appointment or call us at 607-594-2255 to schedule an appointment. Or, visit our website www.shuylerhumane.org to fill out an adoption application to get the process started.

THE POSTAL SERVICE IS REACHING OUT TO COMMUNITIES throughout Upstate New York to raise public awareness on the importance of keeping walkways, sidewalks, and approaches to mailboxes clear from snow and ice so carriers can provide safe mail delivery. Any amount of snow can cause a dangerous situation for mail carriers and others. Keeping a clear path to and around mailboxes will help mail carriers continue consistent delivery as well as keep them safe from potential slipping and/or injuries. The Postal Service is issuing the following snow removal tips:

- Clear enough snow from curb-side boxes to allow mail trucks to approach the box, deliver mail, and to drive away without the need for backing or departing the vehicle.
 - Walkways should be cleared of snow and ice, allowing enough traction to avoid slips, trips or falls.
 - Steps and handrails should be kept clear of ice and snow and in good repair to avoid injury to letter carriers or others.
 - Overhangs should be free of snow and ice as well to reduce the risk of falling debris.
- Customers with questions or comments about their mail service can contact the Postal Service at 1-800-ASK-USPS (1-800-275-8777) or by clicking on Contact Us at the bottom of the Postal Service's USPS.com homepage. The Postal Service and postal letter carriers greatly appreciate your support.

ODESSA HISTORY TALKS 2026: With Gary Emerson, Schuyler County Historian, All programs begin at 10am. Village of Odessa Community Room, No Registration Required. Crimes, Chaos, and Crazyness on the Chemung Canal - February 21st. When we think about the Chemung Canal, we tend to focus on the important changes it brought to the area in the realms of transportation, commerce, and population growth. But there was a darker side to the canal's history as well. For many of the working-class people who lived near and worked on the canal, the canal was not necessarily the harbinger of progress. This talk will reveal the violent and strange events that were once part of the canal culture in our communities, including murders, strikes, thievery, fighting, and other bizarre incidents.

HUMAN TRAFFICKING AWARENESS MONTH COMMUNITY YOUTH SKATE EVENT. Registration is open for the inaugural Skate for Freedom ice-skating skate-a-thon, hosted by the Potter's Hands Foundation. The event will be held on Saturday, January 31, from 6:30pm to 8:30pm at the Nasser Civic Center ice skating rink in Corning, NY. Registration is free, required, and online. Skaters will find more information, the registration form, and the pledge form at www.thepottershandsfoundation.org/skate-a-thon. "Every January is National Human Trafficking Awareness month," said Deborah Kuehner, executive director and founder. "This event is designed to both raise awareness about the issue of sex trafficking and support our mission through youth-led fundraising efforts. In addition, it is especially meaningful because it engages young people in a positive, tangible way—helping them understand the realities of trafficking while encouraging leadership, compassion, and community involvement." Local youth participants will take part by securing sponsorships or flat donations to skate laps during the event, empowering them to play an active role in educating the community while raising funds to support women who have survived sex trafficking or sexual exploitation and are healing at the Potter's Hands Foundation. The Foundation raises awareness about the dangers and signs of trafficking. In addition, the Foundation is the only long-term, residential, treatment-specific program in the Finger Lakes, Western New York, and the Southern Tier for female survivors that provides safe and stable shelter, food security, education, counseling, mental health coaching, and life skills management. Survivors do not pay for any support provided by the Foundation. In addition, the Foundation does not seek or receive any support from the government. For more information or to schedule an interview with Executive Director Deborah Kuehner, please contact Stephanie Specchio at 607-331-4276.

Tailoring Medical Weight Loss to Your Body at Centralus Health's New Clinic

A lifestyle filled with good nutrition, regular physical activity, stress management, and enough sleep supports a healthy weight, but finding a regimen that works can be tough. Taylor Bellinger, Family Medicine and Weight Loss Management Physician Assistant at Arnot Health, a Member of Centralus Health, works with patients to find a sustainable weight loss plan.

"My goal is to make this a comfortable environment to talk about your whole life picture, because there are multiple factors related to obesity."

To find out if they are at a healthy weight, people need to know their body mass index (BMI).

"You qualify for the clinic if you have a BMI of 30 or greater or if you have a BMI between 27 and 29 with a comorbid weight-related condition," says Taylor.

Setting a healthy weight goal is easy; reaching that goal is often what deters people from their weight loss plan.

"The goal as a provider is to help a patient advance towards their own health and wellness goals and to create sustainable behavioral change," says Elizabeth Marshall, Family Nurse

The Arnot Health bariatric care team works with patients to achieve a healthier lifestyle.

Practitioner at Cayuga Health, a member of Centralus Health.

By focusing on a goal that's meaningful, patients are more likely to reach the outcome they're looking for. When they do, Taylor

can't help but notice a change in their demeanor.

"This job is rewarding because we're working on weight. When that gets better, people's confidence improves and their quality of life improves. That's really exciting for patients."

People who qualify for medical weight loss assistance should talk to their primary care provider about a referral.

The Arnot Health bariatric care team works with patients to achieve a healthier lifestyle. Arnot Health's Weight Loss Clinic is located at the Southport office, 1138 Broadway Street, Elmira.

Cayuga Health provides proper educational resources, one-on-one counseling, complete medical exams and testing, and continued support throughout a patient's weight loss journey. Cayuga Health's Center for Metabolic and Bariatric Surgery is located at 310 Taughannock Boulevard, Ithaca.

WHAT CSI OFFERS

- Personalized testing recommendations from CSI's scientific staff
- Certified testing for contaminants such as:
 - Bacteria (total coliform/E.coli)
