**ODESSA HISTORY TALKS 2026:** With Gary Emerson, Schuyler County Historian, All programs begin at 10am. Village of Odessa Community Room. No Registration Required. Lehigh Valley Railroad – January 17th. The Lehigh Valley Railroad arrived in Schuyler County in the early 1890s when the tracks were built along the east side of Seneca Lake. Several large culverts were built to carry the railroad over some of the deep ravines along the lake and there is one right in the village of Odessa. The Lehigh Valley Railroad changed the villages it passed through as it brought passenger service, milk transport, and other services to improve the lives of the people along the tracks in Odessa, Burdett, and Hector.

**CHRISTIAN PARTNERS IN PRAYER** will meet on Wednesday, January 7 at noon at Beaver Dams Community Church, 1285 County Rt. 19, Beaver Dams, NY 14812 and Wednesday, February 4 at noon, Bethel Fellowship, 2035 State Rt 14, Montour Falls, NY 14865. Our purpose is to pray for our communities, churches, and the spread of the Gospel. We welcome all interested Christians to meet with us to pray. If anyone has questions please contact Dru at 607-857-8699, Carolyn at 785-614-1037, or Dru at drunurse@aol.com.

**CURIOUS TO LEARN** about the original beliefs of The Bible as taught by Messiah, the Apostles and first century church? If this sounds appealing, free Bible studies are available upon request. Not affiliated with any denomination. Call: 607-546-9494.

**HUMAN TRAFFICKING AWARENESS MONTH COMMUNITY YOUTH SKATE EVENT.** Registration is open for the inaugural Skate for Freedom ice-skating skate-a-thon, hosted by the Potter’s Hands Foundation. The event will be held on Saturday, January 31, from 6:30pm to 8:30pm at the Nasser Civic Center ice skating rink in Corning, NY. Registration is free, required, and online. Skaters will find more information, the registration form, and the pledge form at [www.thepottershandsfoundation.org/skate-a-thon](http://www.thepottershandsfoundation.org/skate-a-thon). “Every January is National Human Trafficking Awareness month,” said Deborah Kuehner, executive director and founder. “This event is designed to both raise awareness about the issue of sex trafficking and support our mission through youth-led fundraising efforts. In addition, it is especially meaningful because it engages young people in a positive, tangible way—helping them understand the realities of trafficking while encouraging leadership, compassion, and community involvement.” Local youth participants will take part by securing sponsorships or flat donations to skate laps during the event, empowering them to play an active role in educating the community while raising funds to support women who have survived sex trafficking or sexual exploitation and are healing at the Potter’s Hands Foundation. The Foundation raises awareness about the dangers and signs of trafficking. In addition, the Foundation is the only long-term, residential, treatment-specific program in the Finger Lakes, Western New York, and the Southern Tier for female survivors that provides safe and stable shelter, food security, education, counseling, mental health coaching, and life skills management. Survivors do not pay for any support provided by the Foundation. In addition, the Foundation does not seek or receive any support from the government. For more information or to schedule an interview with Executive Director Deborah Kuehner, please contact Stephanie Specchio at 607-331-4276.

MEET GIDGET

Sex: Spayed Female

Breed: Border Terrier

Age: 3-4 years

Size: Small

Gidget came to us as a stray. Crazy, right? But, here she is in all her glory...a whole lot of personality in one small package, hence the name Princess G. Scruffington. Perhaps a bit timid when she first meets new people, Gidget warms up quickly and will soon set about her impish ways to charm and entertain you. Don't let those little legs fool you! Although she may be vertically challenged, Gidget is always up for a brisk walk and will surprise you with her speed and stamina. And, what an athlete she is! She can spring from the floor into your arms in seconds flat.

If Gidget is in fact a border terrier, she lives up to the description. The Border Terrier personality really packs a punch! These pint-sized pooches have bundles of energy and a fun-loving, excitable attitude. However unlike other feisty terriers, Borders are big softies who are loving and affectionate with all people. They're definitely happiest when they're involved in all their family's activities, whether it's playing in the living room or heading out to the great outdoors for an epic adventure. With its scruffy good looks, the cheeky, charming, and always entertaining Border Terrier is sure to be the life of the party.

Gidget is thought to be 3-4 years old. The adoption fee for adult dogs is \$225. All have been spayed or neutered, vaccinated for rabies, kennel cough, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, given flea and tick preventative, heartworm tested, are on heartworm preventative and are microchipped. Stop in on Monday, Thursday and Friday from 10- 1, Saturdays from 10 - 4, Sundays from 2-5 without an appointment or call us at 607-594-2255 to schedule an appointment. Or, visit our website [www.schuylerhumane.org](http://www.schuylerhumane.org) to fill out an adoption application to get the process started.
