**THE POSTAL SERVICE IS REACHING OUT TO COMMUNITIES**

throughout Upstate New York to raise public awareness on the importance of keeping walkways, sidewalks, and approaches to mailboxes clear from snow and ice so carriers can provide safe mail delivery. Any amount of snow can cause a dangerous situation for mail carriers and others. Keeping a clear path to and around mailboxes will help mail carriers continue consistent delivery as well as keep them safe from potential slipping and/or injuries. The Postal Service is issuing the following snow removal tips:

- Clear enough snow from curb-side boxes to allow mail trucks to approach the box, deliver mail, and to drive away without the need for backing or departing the vehicle.

- Walkways should be cleared of snow and ice, allowing enough traction to avoid slips, trips or falls.

- Steps and handrails should be kept clear of ice and snow and in good repair to avoid injury to letter carriers or others.

- Overhangs should be free of snow and ice as well to reduce the risk of falling debris.

Customers with questions or comments about their mail service can contact the Postal Service at 1-800-ASK-USPS (1-800-275-8777) or by clicking on Contact Us at the bottom of the Postal Service's USPS.com homepage. The Postal Service and postal letter carriers greatly appreciate your support.

## Obituary

**DONNA DRISCOLL**, age 76, of Montour Falls, passed away unexpectedly at home on January 21, 2026.

Donna was born in Ithaca, New York, daughter of the late John and Mabel Driscoll of Ithaca and Newfield.

A lifelong seeker of wisdom and beauty, Donna studied philosophy through Wisdom's Goldenrod and the Center for Philosophic Studies, inspired by the writings of Paul Brunton. She also attended teachings with His Holiness the 14th Dalai Lama on three occasions, experiences she treasured deeply.

At home, Donna expressed her love through cooking and hospitality. She delighted in preparing food from many cuisines, entertaining guests, and creating a warm and welcoming table. She loved animals and regularly supported humane societies. She found joy outdoors — swimming in the Finger Lakes, visiting New York State Parks, boating on Seneca Lake, watching sunsets, and traveling to Maine and other parts of New England, as well as Nova Scotia. She also loved music, art, and quiet reflection.

For over twenty years, Donna devoted part of her life to caring for individuals with developmental disabilities through her work with New York State. Those who knew her saw this not as a job, but as another expression of her patience, gentleness, and deep compassion.

Above all, Donna's greatest devotion was to her son, Stefan, whom she loved with unwavering pride and tenderness.

She is survived by her husband, Stephen M. Trego; her son and daughter-in-law, Stefan Driscoll-Trego and Alyssa Benjamin-Trego; her sister, Michelle Saraceni of Ithaca; sisters-in-law, Dorinda K. Campbell and Tammy A. Morris of Muncie, Indiana, Sue Driscoll of Ithaca, and Kathy Driscoll of Prescott Valley, Arizona; several nieces and nephews; and her lifelong best friend, Mary Ann Schmeltzer of Portland, Oregon.

In lieu of flowers, the family kindly requests donations in Donna's memory to the Schuyler County Humane Society, PO Box 427, Montour Falls, NY 14865, or online at [SchuylerHumane.org](http://SchuylerHumane.org).

A Celebration of Life will be held at a later date. The Royce-Chedzoy Funeral Home of Watkins Glen is assisting the family. Condolences may be shared at [www.RoyceChedzoy.com](http://www.RoyceChedzoy.com).

## Obituary

The Teeter family mourns the loss while celebrating the remarkable life of **DAVID C. TEETER**, 85, who went Home to be with his Lord and Savior, Jesus Christ on Tuesday, February 3, 2026.

Born on November 29, 1940 in Erin, NY to parents, Merrill F. Teeter and Hazel M. (Barwell) Teeter, David lived a life rooted in faith, love, and quiet strength. He was a devoted husband/father/grandfather/great grandfather and his greatest joy was caring for his family and serving God.

He had a strong conviction to share the hope that he found in Jesus Christ, with everyone he met! *"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."* John 3:16

He lived out his beliefs through kindness, integrity, and service to others. David loved to cook and worked at several restaurants throughout his career- Ithaca College, Turbacks, Glen Motor Inn, Blue Ribbon, Curly's, to name a few, as well as opening two family restaurants- The Alkazar and The Soup Kitchen where he was known to many for his famous cheese soup and pizza! He loved sharing his love of cooking with his children and grandchildren and many of them have made him proud by following in his footsteps in the food service industry. Besides his love for cooking, David found much enjoyment and relaxation in gardening! At one time, he cultivated/harvested 4 big gardens. He loved sharing the fruits of his labor with family and friends and at one time he even had contracts with Wegmans and P&C because of such an abundance! In addition, David was challenged, but not often bested, in his amazing talent of the game of Ping Pong!

David is survived by his loving wife of 62 1/2 years, Patricia L. (Maine) Teeter, and his children: Kelly (John) Armstrong, Jeff (Tamara) Teeter, Paul (Felicia) Teeter, son-in-law, Jonathan Burns, 19 grandchildren and 13 great grandchildren (plus a new great granddaughter due in March), sisters Dorothy Hill, Arlene Webster, Lois Brooke and brother Wayne Teeter.

He was preceded in death by brothers, Alan and Durwood, sister Lorraine Lent and his beloved daughter, Traci (Teeter) Burns.

His legacy will live on in the lives he touched, the relationships he built, and the family he cherished. We have no doubt that when David took his last breath and stepped into Heaven that he heard the words, "Well done, good and faithful servant." ~Matthew 25:23

\*The family wishes to extend a special thank you to many of David's caretakers at Seneca View, Unit 1, especially Samantha and Tina who became like family and we are forever grateful for the love and care that they gave to our husband/daddy.

A celebration of his life will be held on Saturday, February 14th, 2026. Calling hours are 11:00 am-12:00 pm with service at 12:00 pm, at the Alpine Baptist Church, 5950 County Road 14, Alpine, NY 14805. In lieu of flowers, please make a donation in memory of David to the Alpine Baptist Church building project.

Arrangements are under the directions of Vedder-Scott & Zinger Funeral Home, Montour Falls, NY. To leave the family a message of condolence, please visit [www.vedderscottzinger.com](http://www.vedderscottzinger.com)

### ODESSA HISTORY TALKS

**2026:** With Gary Emerson, Schuyler County Historian, All programs begin at 10am. Village of Odessa Community Room, No Registration Required. Crimes, Chaos, and Craziness on the Chemung Canal – February 21st. When we think about the Chemung Canal, we tend to focus on the important changes it brought to the area in the realms of transportation, commerce, and population growth. But there was a darker side to the canal's history as well. For many of the working-class people who lived near and worked on the canal, the canal was not necessarily the harbinger of progress. This talk will reveal the violent and strange events that were once part of the canal culture in our communities, including murders, strikes, thievery, fighting, and other bizarre incidents.

It's a life transition every woman will experience. The gradual hormonal change known as menopause typically starts between the ages of 45 and 55. Kat Proper, an OB/GYN Nurse Practitioner at Arnot Health, a Member of Centralus Health, says it's important for all women to seek perimenopausal and menopausal care.

"We define menopause as twelve months without a period. This is hard to know in women who do not have their period for whatever reason."

Even though menopause is normal, providers say there is still a lot of misinformation surrounding the change.

"Many women enter the menopause transition with worries based on myths rather than facts. A common misconception is that menopause is the start of a long decline in health or vitality, but it's a natural and often empowering phase of life," says Marie Harkins, OB/GYN Nurse Practitioner at Cayuga Health, a Member of Centralus Health.

Menopause lasts about seven years on average but can range from a few years to over a decade. This transition encompasses perimenopause, when hormonal changes begin; menopause, when a woman goes twelve months without a period; and postmenopause,

the rest of a woman's life after her final period.  
"It can impact their lives for decades to come. They should be aware of what's going to happen, how it's going to affect them, and how hormone replacement therapy or other treatments could help them or hinder them," says Kat. Individualized care helps women through menopause by creating customized plans, focusing on unique symptoms, health history, and preferences for safer, more effective relief, improved quality of life, and empowerment through shared decision-making with providers.

Cayuga Health's integrated, multidisciplinary team strives to provide compassionate, holistic, evidence-based care. Cayuga Health offers OB/GYN care at 260 Tompkins Street, Cortland; 401 Cayuga Park Lane, Ithaca; 20 Arrowwood Drive, Ithaca; and 220 Steuben Street, Montour Falls.

Arnot Health provides a full range of specialty services for women at every stage of life. Arnot Health offers OB/GYN care at 600 Fitch Street, Elmira; 123 Conhocton Street, Corning; and 100 John Roemelt Drive, Horseheads.

### MEET BART

Sex: Neutered Male Age: ~5 years Breed: Hound/Mix Size: Medium  
Can you stand that grin? That's Bart's expression most of the time, unless he's overjoyed, then it's a full on smile. Hard to believe that no one was looking for him, but he now with us waiting to begin the next chapter in his life. While he may be five years old his behaviors are still quite puppy-ish (in a good way). Since he arrived, he hasn't met anyone who is not his new best friend. If you are looking for a dog who is always up for adventure, Bart may be your guy! He seems to be fairly respectful of cats but would prefer to be your only canine.

The adoption fee for adult dogs is \$225. All have been spayed or neutered, vaccinated for rabies, kennel cough, but he now with us waiting to begin his next chapter. While he may be five years old, his behaviors are still quite puppy-ish (in a good way) as are his expressions. Since he arrived, he hasn't met anyone who is not his new best friend. If you are looh, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, are heartworm tested and on heartworm preventative and flea and tick preventative and are microchipped. Stop in on Monday, Thursday and Friday from 10-1, Saturdays from 10 - 4, Sundays from 2-5 without an appointment or call us at 607-594-2255 to schedule an appointment. Or, visit our website www.schuylerhumane.org to fill out an adoption application to get the process started.

The Humane Society Shelter is located at:  
124 Marina Drive, Montour Falls, NY
