Obituary

Lucille Ann Allen, 75, of Beaver Dams, New York, passed away unexpectedly on February 14, 2026. Born on October 3, 1950, in Corning, New York, she was the cherished daughter of the late William and Margaret Bryington.

Lucy, lovingly known as "Mema", was the heart and soul of her family. For 53 beautiful years, she was the devoted wife of Milton Allen Sr., standing faithfully by his side through every chapter of life. Together they built a home filled with love, laughter, and unwavering support. She devoted 17 years of her life working as a housekeeper at the Radisson.

She was a loving mother to her sons, Milton Allen Jr. (Dawn Smith) Luke Allen (Suannah), and her daughter, April Morseman (Marshall). Her family was her greatest pride and joy.

Mema adored her grandchildren: Zack Allen (Kaylyn Jimmerson), Addy Allen, Dana Allen (Larry Adams), Jocelyn Sawyer (Dominic Woodward), Breanna Sawyer (Stuart Perry), Kendra Bartholomay, Kelsey Morseman, Madisyn Morseman and Dalton Plumley. She was also blessed with great-grandchildren Ariella, Desirae, Brycen, Ryver, and Brelyn, who brought endless light into her life.

She is also survived by her brother, Kenny Bryington; her sister, Sheila Bartholomay; her brothers-in-law Albert Allen (Audrey), Tom Allen, and Keith Allen (Maxine); along with many extended family members and dear friends.

Lucy was predeceased by her siblings William, Clyde, Dorothy, and Nancy; her beloved grandson Dustin; her brothers-in-law John, Rick, and Tim; and her sisters-in-law Sharon and Robin.

She found joy in life's simple pleasures — puzzles, reading, watching Hallmark movies and game shows, cooking and baking, and most of all, playing games and spending time with her family and friends. Her home was a place of comfort, warmth, and unconditional love. She had a gentle spirit, a generous heart, and a way of making everyone feel welcome and cared for.

Lucy's legacy is one of selfless love, strength, and devotion to family. She raised not only her children but helped raise her grandchildren alongside her beloved husband, shaping their lives with her kindness and guidance. Her love will continue to live on in every story shared, every recipe passed down, and every family gathering filled with laughter.

A Service will be held at Noon on Saturday, February 28, 2026 at Beaver Dams Fire Department, 1165 County Road 19, Beaver Dams, NY followed by a Celebration of Life at 1:00 pm. In lieu of flowers, any donations may be made to the Beaver Dams Fire Department or the American Heart Association in her memory.

She will be deeply missed and forever cherished. Arrangements are under the directions of Vedder-Scott & Zinger Funeral Home, Montour Falls, NY. To leave the family a message of condolence, please visit www.vedderscottzinger.com

Menopause Isn't Optional, Care Shouldn't Be Either

It's a life transition every woman will experience. The gradual hormonal change known as menopause typically starts between the ages of 45 and 55. Kat Proper, an OB/GYN Nurse Practitioner at Arnot Health, a Member of Centralus Health, says it's important for all women to seek perimenopausal and menopausal care.

"We define menopause as twelve months without a period. This is hard to know in women who do not have their period for whatever reason."

Even though menopause is normal, providers say there is still a lot of misinformation surrounding the change.

"Many women enter the menopause transition with worries based on myths rather than facts. A common misconception is that menopause is the start of a long decline in health or vitality, but it's a natural and often empowering phase of life," says Marie Harkins, OB/GYN Nurse Practitioner at Cayuga Health, a Member of Centralus Health.

Menopause lasts about seven years on average but can range from a few years to over a decade. This transition encompasses perimenopause, when hormonal changes begin; menopause, when a woman goes twelve months without a period; and postmenopause,

the rest of a woman's life after her final period.

"It can impact their lives for decades to come. They should be aware of what's going to happen, how it's going to affect them, and how hormone replacement therapy or other treatments could help them or hinder them," says Kat.

Individualized care helps women through menopause by creating customized plans, focusing on unique symptoms, health history, and preferences for safer, more effective relief, improved quality of life, and empowerment through shared decision-making with providers.

Cayuga Health's integrated, multidisciplinary team strives to provide compassionate, holistic, evidence-based care. Cayuga Health offers OB/GYN care at 260 Tompkins Street, Cortland; 401 Cayuga Park Lane, Ithaca; 20 Arrowwood Drive, Ithaca; and 220 Steuben Street, Montour Falls.

Arnot Health provides a full range of specialty services for women at every stage of life. Arnot Health offers OB/GYN care at 600 Fitch Street, Elmira; 123 Conhocton Street, Corning; and 100 John Roemmelt Drive, Horseheads.

Kat Proper, an OB/GYN Nurse Practitioner says it's important for all women to seek perimenopausal and menopausal care.

LEARN INLAND, COASTAL MARINE NAVIGATION. Never get lost or run aground, whether on a short day trip or a long, multi-day cruise, when you know marine navigation. The essentials of safe inland and coastal navigation, using basic GPS in conjunction with charts and other marine data, will be taught in a course offered in March by the Finger Lakes Chapter of America's Boating Club (ABC-FLX). The two-month course will be on Wednesday evenings from 7-9 p.m. from March 11 through May 6. Experienced instructors Charles Fausold and Ray Margeson will teach the class at the Schuyler County Human Services Complex, Route 14, on the south edge of Montour Falls. Students will learn to use GPS along with traditional, dead-reckoning techniques for planning and laying out safe routes, as well as ensuring staying on-course while underway. Tuition for America's Boating Club members is \$150. The non-member fee is \$205. Students will receive their own plotting tools as part of the fee. To register for the course or to learn about joining America's Boating Club, contact Education Officer Katie Alley at SEO@abc-flx.org. The registration deadline is March 1. ABC-FLX, the Watkins Glen-based chapter of the nation's largest non-profit boating organization, is committed to promoting boating safety through a wide variety of classes in person, on the water and online. For more information about America's Boating Club, go to www.abc-flx.org or on Facebook at America's Boating Club-Finger Lakes Chapter.
