A Creative Community Space in Montour Falls

The Art Cafe is a welcoming place to sip, settle in, and create! Choose from a variety of creative experiences designed for all skill levels—no experience needed. Whether you come with friends, enjoy a little solo creative time, or join us for a workshop, there's always something waiting to inspire you.

Located inside FLX Studio & Maker's Market, we are also excited to announce that we are expanding to create even more space for local vendors to display and sell their art and handmade goods. FLX Studio & Maker's Market is a creative community space focused on supporting local artists, makers, creativity, and meaningful community experiences.

FLX Studio also offers unique workshops, now being held at The Art Cafe. Find all the details, upcoming workshops, and reservations on our website: flxstudio-and-makersmarket.square.site

The Art Cafe:
224 W. Main St., Montour Falls, NY
Cafe Hours:
Wednesday & Friday: 5–7pm (reservation only)
Saturday: 11am–4pm; Sunday: 12–4pm

FLX Studio & Maker's Market
220 W. Main St., Montour Falls, NY
Studio Hours:
Friday 12:00 pm - 5:00pm; Saturday 10:00am - 5:00 pm
Sunday 12:00pm - 5:00pm

APPLERIDGE SENIOR LIVING will host its 4th Annual Community Health Fair on Friday, September 25, from 1-3 p.m. at 168 Miller Street in Horseheads. The event is free and open to the public and will feature more than 25 local health, wellness, and community organizations. This year's Health Fair will highlight fall prevention and healthy aging, with free screenings, educational resources, activities, giveaways, and refreshments throughout the afternoon. Attendees can take advantage of free hearing screenings from Elmira College Audiology, gait and balance screenings from Select Rehab at Appleridge, and blood pressure screenings from Arnot Health. At 2:15 p.m., Jennifer Peabody of Select Rehabilitation at Appleridge will present "Stay Steady: Simple Steps to Prevent Falls and Stay Safe," sharing practical strategies to help older adults maintain mobility and reduce their risk of falls. Guests can also enjoy complimentary refreshments by Heirloom at Appleridge, giveaways, and a free raffle featuring gift baskets and prizes donated by participating vendors. Every attendee will receive free raffle tickets. The Community Health Fair gives older adults, caregivers, and families a chance to connect with local organizations and learn about health and wellness resources available throughout the region. Everything at the event is free, and no registration is required.

Schuyler County Public Health Invites the Community to Their 100-YEAR CELEBRATION OPEN HOUSE AND STUDENT ART SHOW: The Open House and Art Show are scheduled for Wednesday, September 23 from 4pm to 6pm at Public Health's new offices in the Shared Services Building (910 South Decatur Street, Watkins Glen, NY 14891). Art from Watkins Glen Central School District students will be on display during the open house. "We wanted to showcase art from our community during the open house because the work we do is all about our community," shared Jill Kasprzyk, Director of Schuyler County Public Health. "For 100 years, our department has been working to protect and promote the health of our community - our friends, families, and neighbors." "We look forward to seeing community members at the open house," shared Kasprzyk. "During the open house they can tour our new offices, view the outstanding student artwork, and learn more about the services we provide." Schuyler County Public Health's mission is to protect and empower the community to be safe, healthy and prepared. Schuyler County Public Health's vision is a connected community of healthy people and safe places. For more information, visit Schuyler County Public Health online at www.SchuylerCountyNY.gov/PublicHealth or follow Schuyler County Public Health on Facebook and Instagram.

Obituary

LEONE RUTH (BEDIENT) DOLLIVER, Age 71, of Watkins Glen passed away on January 17, 2026. Leone was born in western Allegany County in Cuba, NY, and the fourth daughter of nine children to Stanley and Ruth Bedient. Her career followed a path of compassion and caring for others as a private home health care giver. Her belief was

that while she never did anything spectacular, or made a lot of money, she touched the lives of people when they most needed it, including keeping small children safe after school, dressing, feeding, caring, comforting so many souls, and making a difference in their lives. She hopes to be remembered for that deed. She was predeceased by her parents, a brother, Brian Bedient, and a grandson, Camden German.

She is survived by three daughters, Corey Dolliver, Sara (Daniel) German, and Katie Dolliver. She is also survived by her siblings: Jeanine (Ron) Watson, Sharon (Jim) Carpenter, Cynthia Bedient (Ellie Ward), Stephen (Debra) Bedient, Kristine Bedient, Betty Lou Bedient and Emilie Bedient. Grandchildren that meant the world to her, Alexis Dolliver, Ryan Ames, Olivia Ames, Natalie Cagle, Allyson Cornish, Hannah Ball, Tyler Ball, Emily Ball, Cody Ball, Colby German, Keegan German, Kayleigh German, and Ciara German; and one great-grandson, Jordan Kade Jennings; and best friend, Linda Frazier.

Relatives and friends are invited to call on Saturday, September 12, 2026 from 12:00 (noon) to 1:00 pm at Vedder-Scott & Zinger Funeral Home, 122 N. Genesee St., Montour Falls, NY. Her funeral service will begin at 1:00 pm. Private burial in Old Field Cemetery.

PETS

PETS

MEET JOHNNY HANCOCK

Sex: Neutered Male Age: 11 Months
Breed: Hound Mix Size: Medium

Meet the one and only Johnny Hancock. This incredibly sweet, young pup is a bundle of love and joy, with a heart as big as his curiosity. He's always up for a good time with his two legged or four legged companions. With a face that's both handsome and gentle, Johnny will charm your socks off and then nudge you for kisses. He's affectionate, loyal, and friendly, and his funny antics will keep you smiling. He's a real, people-dog, and will be your shadow, your snuggle buddy, and your forever friend.

Johnny Hancock came to us having been saved from a kill shelter in North Carolina, by a dear friend and transport partner. Johnny and his brother both appeared to be normal, healthy 8 month old pups. However, when Johnny was presented to be neutered the veterinarians discovered a heart murmur. Our partners asked us if we would consider taking Johnny, knowing that we were in close proximity to Cornell University and their world class cardiology department.

His cardiology consult revealed that he has several congenital heart defects that may well limit his life span. For all intents and purposes Johnny Hancock appears to be a perfectly normal puppy doing normal puppy things. His exercise is somewhat limited, no long hikes or crazy rough housing, and he is on one medication with the hope of prolonging his life.

Hancock is going to be on the small side when full grown weighing in at only 30 pounds at ten months old.

So, if you're looking for an incredibly sweet, faithful companion to fill your life with curiosity, affection, and laughter for whatever time you can share come meet Johnny Hancock today and prepare to fall in love! He's ready to put his 'John Hancock' on the adoption papers and seal the deal with a million kisses.

The adoption fee for puppies is \$275. All have been spayed or neutered, vaccinated for rabies, kennel cough, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, are heartworm tested and on heartworm preventative and flea and tick preventative and are microchipped. Stop in on Monday, Thursday and Friday from 10- 1, Saturdays from 10- 4, Sundays from 2-5 without an appointment or call us at 607-594-2255 to schedule an appointment. Or, visit our website www.schuylerhumane.org to fill out an adoption application to get the process started.

PUBLIC NOTICE

IN THE MATTER OF APPLICATION OF
NEW YORK STATE ELECTRIC & GAS CORPORATION
FOR A CERTIFICATE OF ENVIRONMENTAL COMPATIBILITY AND PUBLIC NEED
PURSUANT TO ARTICLE VII OF THE PUBLIC SERVICE LAW FOR THE CHEMUNG-
SCHUYLER TRANSMISSION ENHANCEMENT PROJECT

CASE 25-T-0607

TO WHOM IT MAY CONCERN:

PLEASE TAKE NOTICE that New York State Electric & Gas Corporation (NYSEG) intends to file, on or about September 30, 2026, a supplement (Supplement) to the Application it filed on September 19, 2025 (Application) with the New York State Public Service Commission (Commission). NYSEG filed the Application, and intends to file the Supplement, pursuant to Article VII of the Public Service Law of the State of New York for a Certificate of Environmental Compatibility and Public Need (Certificate) for the construction, operation and maintenance of the “Chemung-Schuyler Transmission Enhancement Project” (Project). NYSEG must receive a Certificate from the Commission before constructing the Project.

DESCRIPTION OF THE PROJECT

The Project will be described in the Supplement. In summary, it is NYSEG’s proposal to: (1) rebuild one of its 115 kilovolt (kV) electric transmission lines, Line 965, which currently runs approximately 22 miles in Steuben and Schuyler Counties; (2) construct a new electric substation, the proposed Montour Falls Substation, in Schuyler County; (3) re-route several of its transmission and sub-transmission lines in Schuyler County to that substation from NYSEG’s existing Montour Falls Substation in Schuyler County; and (4) rebuild two of its 115kV electric transmission lines, Lines 963 and 978, each of which currently runs approximately 16 miles in Schuyler and Chemung Counties, including rebuilding approximately 8 miles of the southern portion of both lines on an existing NYSEG right-of-way located less than two miles to the east of the lines’ current right-of-way. (Item #4 above is substantially similar to the entire scope of the Project as it was described in the Application NYSEG filed on September 19, 2025.)

For the portions of the Project where the transmission lines will be rebuilt on the rights-of-way where they are currently located, the Project includes removal of all of the conductor, insulators and existing structures of the existing lines and replacing them with new facilities. The Project also includes: installing stormwater management features; establishing one or more temporary laydown/staging areas and marshaling yards; and constructing or improving supporting access roads.

Exhibit 3 of the Application will provide a description of the various alternatives NYSEG considered to address the need for the Project. The considered alternatives include alternative substation siting locations, alternative transmission line routes, alternative structure types, a no-action alternative, alternative transmission line technologies, and non-wires alternatives.

Exhibit E-4 of the Application will provide information about the need for the Project.

PROPOSED LOCATION

The proposed route of the Project extends approximately 40 miles and runs generally east and then south and southeastward from the Bath Substation in the Town of Bath in Steuben County, to the Proposed Montour Falls Substation in the Town of Dix in Schuyler County, to the Ridge Road Substation in the Town of Horseheads, Chemung County, and then to the Watercure Substation in the Town of Elmira in Chemung County. Between the four substations, the proposed route also passes through the Town of Bradford in Steuben County, the Towns of Orange, Dix and Montour in Schuyler County, and the Towns of Veteran, Horseheads and Elmira in Chemung County. The locations of the proposed transmission line facilities will be shown in Exhibit 2 of the Application and associated figures.

DATE OF FILING

NYSEG expects to file the Application with the Commission on or about September 30, 2026.

AVAILABILITY OF APPLICATION

A copy of the Application will be served upon the chief executive officers of Steuben County, Schuyler County, Chemung County, and the Towns of Bath, Bradford, Orange, Dix, Montour, Veteran, Horseheads and Elmira, and a copy will be available for public inspection in each of the following locations:

Steele Memorial Library
101 East Church Street
Elmira, NY 14901

Horseheads Free Library
405 South Main Street
Horseheads, NY 14845

Montour Falls Memorial Library
406 West Main Street
Montour Falls, NY 14865

Dormann Library
101 West Morris Street
Bath, NY 14810

In addition, copies will be available for public inspection at the Department of Public Service Offices in Albany (Office of Central Files, 14th Floor, Three Empire State Plaza, Albany, NY 12223) and will be posted on the Commission’s website (www.dps.ny.gov).

ADDITIONAL ASSISTANCE

For information or assistance concerning the Application, interested persons may contact the following:

Prostate Cancer Prevention Starts
with Screening

Whether you have a family history or not, cancer can strike anyone. According to the American Cancer Society, prostate cancer is the second most common cancer in men in the United States. Studies show 1 in 8 men will be diagnosed in their lifetime; doctors say it’s best not to skip preventative testing.

“As men get older, they have more issues with their prostate, leading to an increased chance of having prostate cancer,” said Dr. Oussama Darwish, a urologic surgeon at Arnot Health, a member of Centralus Health.

If you’re a man over the age of 45, there’s a good chance your doctor has talked to you about prostate cancer screening. Getting tested early helps doctors establish your baseline, detect any signs of cancer, and provide treatment with significantly better outcomes.

“Testing for prostate cancer, which is usually done by a blood test, looks for PSA, or prostate-specific antigens. The earlier we get the PSA, the earlier we identify the disease and the better we can manage it,” Dr. Darwish said.

Once a sample is collected, laboratory

specialists test for high or rising amounts of cancer-related proteins.

“PSA is glycoprotein, a protein that helps cells talk to each other, protect the body, and build the immune system. It’s produced by the prostate gland, the lining of the urethra, and the bulbourethral gland, found beneath the prostate,” says Kelsey Tiknor, Lead Laboratory Specialist at Cayuga Health, a Member of Centralus Health.

Urologists recommend being proactive, especially for those with a parent, siblings, or child who has been diagnosed with cancer. Dr. Darwish says the risk for developing prostate cancer doubles. Regardless of the outcome, test results from Centralus Health are posted immediately on MyChart. Patients who have questions about their results can contact

their doctor through the website or mobile app.

Arnot Health’s urology office is located at 301 Hoffman Street, Elmira. Cayuga Health’s urology office is located at 201 Dates Drive, Suite 102, Ithaca. Referrals from a primary care provider are encouraged but not required.

Oussama Darwish, MD is a Urologic Surgeon at Arnot Health, a member of Centralus Health

RAINBOW JUNCTION'S CHILD CARE CENTER OF DUNDEE will be hosting a Back to School Fall Fest on Sunday, September 27, 2026, from 2:00-6:00 PM at Spring Street Park in Dundee, NY. Our goal is to bring local families and the surrounding community together for an afternoon of fall fun while also supporting our childcare center. The event will include:

- Local vendors
- Games and activities for children
- Raffles and raffle baskets
- Touch-a-Truck featuring trucks, cars, racecars, emergency vehicles, and more
- Dunk tank
- Concessions
- Fall photo opportunities
- New York State Police car seat safety checks from 2:00-5:00pm
- And more activities and participants being added!

Admission to the Fall Fest is open to the community. Tickets will be available for select games and activities throughout the event, with proceeds helping support Rainbow Junction's Childcare Center of Dundee.

CREATE A TEA, A TEA BLENDING WORKSHOP: Sunday, September 20th, 1-3pm at Fiddlesticks Tea Co., 200 Maple Ave. Odessa. To register call 607-594-2791.

You Are Invited To The 92nd Annual BENNETTSBURG COMMUNITY PICNIC

September is Suicide Prevention Month

Schuyler County Public Health and the Suicide Awareness for Everyone (SAFE) coalition are partnering to share the Five Steps you can follow to help someone thinking about suicide:

Ask. Ask the tough question. When someone you know is in emotional pain, ask them directly: “Are you thinking about killing yourself?”

Be there. If your friend is thinking about suicide, listen to their reasons for feeling hopeless and in pain. Listen with compassion and empathy and without dismissing or judging.

Keep them safe. Is your friend thinking about suicide? Ask if they’ve thought about how they would do it and separate them from anything they could use to hurt themselves.

Help them stay connected. Help your friend connect to a support system, whether it’s the 988 Lifeline, family, friends, clergy, coaches, co-workers or therapists, so they have a network to reach out to for help.

Follow up. Check in with the person you care about on a regular basis. Making contact with a friend in the days and weeks after a crisis can make a difference in keeping them alive.

SAFE is devoted to connecting people to prevention, intervention, and recovery by providing education, support and advocacy to reduce the occurrence of suicide in Schuyler County.

Learn more about the coalition and how you can get involved by visiting www.SchuylerCountyNY.gov/SAFE.

**To find out how the Five Steps can save a life, visit www.BeThe1To.com.
If you are struggling, call or text 988.**
