THIS FALL, Catholic Charities of Chemung and Schuyler Counties is joining the **NATIONAL NETWORK TO END DOMESTIC VIOLENCE (NNEDV)** in a national campaign for Domestic Violence Awareness Month (DVAM). The goal of this initiative is to spark a coordinated national conversation about domestic violence and how we can all help change the narrative surrounding this often overlooked but critical issue. Through increased awareness, volunteer engagement, and community support, the campaign aims to strengthen efforts to prevent domestic violence, support survivors, and inspire meaningful action nationwide.

Domestic violence is a widespread issue that affects millions of individuals, with one in four women and one in seven men experiencing it at some point in their lives. It does not discriminate and can affect anyone, regardless of race, gender identity, sexual orientation, or financial status. Catholic Charities' First Step Victim Services Program invites local businesses, organizations, churches, and community members to help "Shine the Light" on domestic violence by displaying purple ribbons, yard signs, or purple lights throughout October in recognition of Domestic Violence Awareness Month.

On Thursday, October 22, wear purple to show your support of domestic violence survivors and your commitment to ending abuse! Take a photo in your purple and share it on social media with #PurpleThursday #DVAM2026 #Every1KnowsSome1. For more information on October's events, contact Megan Gridley, Marketing and Communications Specialist, at Catholic Charities at 607-526-0091

Obituary

APRIL L. SALISBURY, age 84, of Montour Falls, NY and formerly of Schenectady, NY, passed away on Tuesday, October 6, 2026 at Seneca View Skilled Nursing Facility. April was born in Harrisburg, PA on March 30, 1942 to the late William and Freda (Matson) McKalip.

April is survived by her children, Adelaide (Richard) Socki of Dallas, TX, Brian Salisbury of Schenectady, NY, Brook (Dale) Heichel of Montour Falls, NY, and Thomas Pirrone-Salisbury (Cesaera) of Niskayuna, NY; grandchildren, Adam Socki (Jenna Barghouti) of Dallas, TX, Gabe Warner or Syracuse, NY, Arden Heichel of Montour Falls, NY, Benjamin Heichel of Montour Falls, NY and Jacob Pirrone-Salisbury of Stuttgart, Germany; along with great-grandchildren, Zayn and Rami Socki of Dallas, TX.

April graduated from Niskayuna High School and furthered her education at Endicott College, earning a degree in Business. She began her career at St. Clare's Hospital in Schenectady, NY in the admissions department. She worked her way up to being an office and business manager at Cardiology Associates in Schenectady, eventually retiring from the organization.

She was a multi-talented woman who loved to cook, as well as read and collect cookbooks. She was also a painter, quilter and spent time knitting and crocheting. Word searches more recently became a focus, and she would often complete books from front to back. April was well-known for her kindness, always having a smile and sweet words for those who crossed her path. Anyone who knew her loved her.

The family would like to extend their gratitude to the Staff of Seneca View Skilled Nursing Facility Unit 3 who graciously and unselfishly cared for her during her stay there.

There will be no services held at this time. Funeral arrangements are under the direction of Vedder-Scott & Zinger Funeral Home, Montour Falls, NY. To leave the family a message of condolence, please visit www.vedderscottzinger.com

VOTE FOR
Louie Perazzini
County Legislator
District 6 Town of Dix

Choose a leader with a lifetime of business experience and public service with a proven track record of getting things done while standing firm on conservative principles.

I will work hard to build on five core priorities:

- **KEEPING TAXES LOW**
  Keep budgets disciplined, cut unnecessary spending, keep property taxes low
- **ECONOMIC DEVELOPMENT**
  Tourism is vital but our families cannot live on seasonal income alone. We must foster an environment that attracts full-time, year-round jobs so our children can afford to build their lives here
- **AFFORDABLE HOUSING**
  Work to have practical, common-sense housing solutions to help people who work in the county, stay here and afford to live in the county
- **STRONG INFRASTRUCTURE**
  From town roads to our water systems, District 6 needs its fair share of county investment to keep the infrastructure modern, safe and reliable
- **UNWAVERING LAW ENFORCEMENT SUPPORT**
  Safety is the foundation of everything. I always back the blue and ensure local law enforcement and emergency responders have the tools, resources and respect they need to protect our neighborhoods!

With Early Voting starting on October 24th and Election Day on Tuesday, November 3rd, I am asking for your support, your prayers and your vote. Let's bring proven leadership to the Schuyler County Legislature!

Thank you, God bless you and let's win this for District 6!

MEET ZEKE

We guarantee... I we asked you to guess how many candles are on Zeke's birthday cake, you' d be wrong! Although he is almost 11 years old, you would never know it. He's got plenty of pep in his step, loves his walks, loves to play ball, loves car rides, and often bounces around like a puppy. He's such a sweet, gentle and sensitive guy who loves everyone he meets. Zeke gets along with cats, other dogs and loves people. Everyone is immediately his new best friend.

How do we know that he's almost 11? His story will tug at your heartstrings. Zeke was actually adopted from us when he was only about a year and a half old. Unfortunately, his family life fell apart and after many years of what seemed to be happily ever after, Zeke finds himself back with us. A steadfast, loyal companion, Zeke wants nothing more than to be by your side. So, if you've been searching for a canine soulmate, look no farther. You've found him!

The adoption fee for adult dogs is $225. All have been spayed or neutered, vaccinated for rabies, kennel cough, DH(L)PP, have had a complete fecal analysis, treated for internal and external parasites, are heartworm tested and on heartworm preventative and flea and tick preventative and are microchipped. Stop in on Monday, Thursday and Friday from 10- 1, Saturdays from 10 - 4, Sundays from 2-5 without an appointment or call us at 607-594-2255 to schedule an appointment. Or, visit our website www.schuylerhumane.org to fill out an adoption application to get the process started.

From Pupil to Physician: Arnot Health's Enriching Medical Education Program

A student physician's journey doesn't end when they walk across the stage and receive their diploma. The work of a doctor extends far beyond medical school, building their foundational education with real in-clinic experience through a medical residency program.

"We pride ourselves on having a close-knit community feel. I believe the Twin Tiers have, on the high side, a population of 200,000 people. You're going to end up knowing families – parents, grandparents, and grandchildren. A lot of our residents who stay here keep their patients from residency. I have patients from my first year of residency, and I've been doing this for 10 years. It helps you develop a sense of community," says Dr. Lewis Cabibi, Program Director of Family Medicine Residency at Arnot Health, a Member of Centralus Health.

Dr. Cabibi guides eager residents through inpatient and outpatient clinical experiences from day one to graduation.

Arnot Health's program is small, fostering a warm, collegial atmosphere that supports and nurtures professionals who want to develop their medical careers.

"Family medicine has a feeling of connectedness, and that's something our program can offer. Our residents are vested in our patients, their own education, and the education of other residents. We truly are invested in making sure everyone does as well."

This prepares medical professionals for their careers by gradually building the clinical judgment and confidence required to make high-stakes decisions on their own without added pressure from mentors or peers.

"We are moving away from the competitive baseline that medicine was known for 50 years ago. Our only goal is to help new generations of competent providers and the overall health of the patients."

Medical residency is the essential bridge that transforms medical school graduates into competent, independent, and licensed practicing physicians. Arnot Health's Family Medicine Resident program was ranked #5 in New York State out of 42 programs in the 2026-2027 Doximity rankings for outstanding reputation, research, and satisfaction. The facility was also recently named as a Top 25 hospital in the State of New York.

Arnot Health's Graduate Medical Education offices are located at 600 Roe Ave., Elmira; 1001 Hoffman St., Elmira; and 555 St. Joseph's Blvd., Elmira. Cayuga Health's Residency Program office is located at 101 Dates Dr., Ithaca.
